Dear Gaya,

I appreciated your piece about what is happening in Israel. I agree with many of your thoughts, and I feel sad that cultures in our world experience conflict.

Gaya, you are so right about our world leaders having "reasoned discussion." Maybe someday you can become a great leader and make a difference! There has been too much fighting.

I like the song "Imagine" and played it for my class. My favorite part was
"You may say that I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one "

The words reminded me of all the Globaldreamers, and how hard Ms. Goren is working to help you understand the importance of a peaceful coexistence with others. You are truly blessed to have her as your teacher!

Blessings,
Mrs. Brevard
